

CHRISTIVAL – Program

The Highlights of Christival

The opening and closing services are highlights of Christival. With thousands of Christians from all over Germany and beyond: Praise God, celebrate and experience what it means to be reconciled – as ‘Jesus reconciles’: the Christival theme.

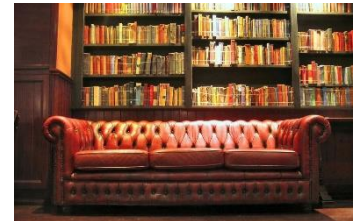

You're Time with God

The Bible study times at are when Christival becomes really dynamic, varied and communicative. In 4 different formats the theme of the day will be picked up. Discover. Be Amazed. Ask. Answer. Eye-openers. The start of your personal engagement with the day's topic.

Evening Events

These are special in every respect. Get creative, share your story with others, sit back, listen, and learn. Every Evening Event is an absolute highlight. Choose from four different Evening Events on Thursday and Friday and expect to see God as centre of the action.

Night Programme

If you are not tired enough after a full Christival day you can plunge into Christival's night programme. Christival's nightlife begins at 21:30! At different locations in the city centre and on the exhibition grounds we will have time to celebrate.

Saturday Night - In The Heart of The City

Christival meets Karlsruhe! The city centre will become a meeting space where Christival participants and Karlsruhe citizens come together. We will eat and celebrate together and enjoy a time of fellowship! Get ready for exciting conversations, good food, art and lots of music.
